Please take the following action

We reviewed your submission and identified some changes that are needed before we can publish or update the app. Please make these changes and resubmit your app. For more information, contact your Microsoft representative. For faster responses, please include your Product ID.

Report details

Technical requirement policies	Notes to publisher
11.16 Live Generative AI Content	Products that contain generative AI must provide a means for users to report inappropriate content generated by the AI. Please update the product to include this feature. Tested devices: Lenovo Thinkpad 450s

Resources and help

Note: Your current certification results may differ from earlier submissions because Microsoft Store policy requirements can change over time. When policies change, we might re-test according to the new requirements regardless of the submission type. Please always rely on your most recent certification results.

General resources

- Microsoft Store policies
- App Developer Agreement (ADA)
- Developer Code of Conduct
- Microsoft representative
